

JOSEPH J. (JOE) MARTINS

DIRECTOR

joe.martins@suncorpvaluations.com

604-689-2099

PROFESSIONAL PROFILE

Joe joined Suncorp Valuations in 2018, with experience in the forest industry and an accumulated 42 years of experience in asset appraisals.

Joe has developed particular expertise in the valuation of forest products, hydro-electric facilities, oil and gas facilities, deep sea shipping facilities, grain handling, food processing, petrochemical, and mining-related assets. He specializes in advisory services for sawmills, panel board, and the pulp and paper industry.

Joe has also been involved in valuations for assessment appeal purposes, insurance, fire loss studies, liquidation, capital gains tax, and depreciation studies, and has been recognized by the Court as an expert witness for property tax valuations in British Columbia, Alberta, and Manitoba.

Joe holds a diploma in Forest Resource Technology from the British Columbia Institute of Technology.

Joe is fluent in both the English and Portuguese languages.
